

Tip of the month – Show/Hide all the vehicles**March 2015**

In this tip of the month we present two buttons that are used for showing or hiding vehicles on the map.

- ✔ Show all vehicles. By pressing this button we check all the fields in window Devices and with this we show all the vehicles on the map.
- ✘ Hide all vehicles. By pressing this button we uncheck all the fields in window Devices and with this we hide all the vehicles on the map.
